Mission Statement

St. Vincent de Paul is a faith community striving to live Jesus' gospel message of love, peace and justice for all peoples. In the spirit of St. Vincent de Paul, our inclusive community welcomes, affirms and serves both the poorest of the poor and those who are alienated and most vulnerable among us. Our individual faith journeys join together in the celebration of the Eucharist. Through the guidance of the Holy Spirit, we will continue to nurture the gifts of all our members. Our parish family will draw strength and unity from diversity. We will foster an atmosphere of warmth, hospitality and prayerfulness. We pray that our commitment to these efforts will further the mission of being one with our God and one with each other.

NEW SANCTUARY MOVEMENT CHALLENGE

New Sanctuary supports justice for undocumented immigrants. We at St. Vincent's want parishioners to get to know the Chopin family whom we are accompanying as the father works through his immigrant status. "Accompaniment" of someone in removal proceedings is a serious undertaking of spiritual support. It is not restricted to praying only but to being there for them through thick and thin. Your prayers are also essential. Pray both for the Chopin family and for a more compassionate federal and state government as regards the eleven million undocumented people in our country.

COFFEE SALE TO SUPPORT OUR SISTER PARISH

Our Sister Parish ministry is still holding a monthly sale of Fair-Trade coffee to support our work with our friends in El Salvador to help fund scholarships, advocacy, and education about issues affecting our Salvadoran friends. We will take your order and payment 2 weeks before delivery: see Mary Durkin or Joanie Brooks at church or contact Joanie at jmblapaz@yahoo.com or 267-825-6989, Mary at joemarydelia@verizon.net or 215-675-9166.

INTERFAITH COMMUNITY BUILDING GROUP

This partnership of St Vincent's and Mishkon Shalom will be working in Germantown **July 4-8** repairing houses. You can help for a day or two or the full week. Teens 16-18 with parental supervision welcome. If you can help our neighbors in a concrete way, contact Lance Laver 610-668-9845, llaver4@comcast.net.

FOSTER PARENTS NEEDED

If you feel the call to provide a temporary home to children of all ages and cultures whose families are in crisis, your love and commitment can have a lasting positive effect. For more information, call Catholic Social Services 267-331-2502.

Prayers of the Faithful
10th Sunday of Ordinary Time
June 4-5, 2016

Merciful God, consecrate all leaders of the Church. Bless them with clear vision, holy and humble spirits, and courageous hearts that they may lead your people by word and example.

We pray for our parish, St. Vincent's and our capital campaign. May those involved, volunteers and all parishioners, be sustained and guided by the wisdom of the Holy Spirit.

Merciful God, strengthen our schools and those entrusted with the care of our children so that our children from the earliest years will be nurtured in mind, body and spirit.

Bless our graduates as they go forth into the world. May they be guided by the inner voice of the Holy Spirit in making their decisions.

Merciful God, we pray for all children who suffer from life threatening diseases, chronic impairment, and mental challenges. May they be encouraged and supported by loving caretakers.

We pray for all parents who are challenged in the care of their children. Be with them, guide them, and strengthen them.

Peggy (Margaret) Brockman Tighe

February 19, 1930 - May 29, 2016

Mary Anne Campelone got this news from Peggy's daughter Cathy, with whom she had been living in Washington [state] for more than six years.

It is with deep sadness that I share the following from Peggy's daughter, Cathy.

After a sudden decline in her health, mom passed away Sunday May 29th. She fought hard, so much so the nurses and doctors referred to her as feisty and a fighter.

I am sure that is no surprise to anyone who knew her.

After a week together, and at mom's bedside, Karen, Jay and Larry went home Sunday morning. Mom died later that day. Keith and I were there.

Keith suggested that we stay until sundown and then she was on her own as the doctors had told us that some wait to be alone to let go.

Mom must have heard. Shortly before sunset her breathing calmed, her brow relaxed, and opening her eyes she looked peacefully into the distance, and died a few minutes later.

Sunset was 8:57. Mom passed away at 8:47.

Mom loved all of you, her big family and many friends. She lived fully and passionately and with an abundance of optimism. Below is a sonnet that I think describes what mom would say to us all now.

If I die, survive me with such sheer force
that you waken the furies of the pallid and the cold,
from south to south lift your indelible eyes,
from sun to sun dream through your singing mouth.
I don't want your laughter or your steps to waver,
I don't want my heritage of joy to die.
Don't call up my person, I am absent.
Live in my absence as if in a house.
Absence is a house so vast
that inside you will pass through it's walls
and hang pictures on the air.
Absence is a house so transparent
that I lifeless, will see you, living
and if you suffer, my love, I will die again.

Pablo Neruda

We are taking time to think about how we will celebrate mom's life.

June 4-5, 2016

Dear friends,

A bill is currently pending in our state senate, HB 1947, that poses serious dangers for our own parish and for all the parishes, ministries, charities and schools of our archdiocesan Church. With this letter, I urge you to write or telephone your local state senator and members of the state Senate Judiciary Committee to vote *against* HB 1947, and especially to oppose any retroactivity provision in the civil statute of limitation covering sexual abuse.

All of us are rightly angered by the crime of sexual abuse. Over the past decade the Church has worked very hard to support survivors in their healing, to protect our children and to root this crime out of Church life. But HB 1947 and bills like it are destructive legislation being advanced as a good solution. The problem with HB 1947 is its prejudicial content. It covers both public and religious institutions -- but in drastically different and unjust ways. The bill fails to support all survivors of abuse equally, and it's a clear attack on the Church, her parishes and her people.

HB 1947 is retroactive for private and religious entities, but *not* retroactive for public institutions. It places very low caps on damages for sexual abuse in public schools in the future. And it makes it hard for abuse victims to sue public institutions going forward. Meanwhile, private and religious entities face *unlimited* liability for exactly the same evil actions, and not just going forward, but also in the past. This is not justice. In fact, HB 1947 actually *excludes* most victims. And it also targets innocent Catholic parishes like ours, and families like your own, that will bear the financial burden of crimes committed by bad individuals in the past, along with the heavy penalties that always result from these bad bills. This is *not* just an archdiocesan problem. It's very much *our* parish problem. In other states where similar legislation passed, local parishes exactly like ours have been sued, resulting in parish and school closures and charity work being severely crippled. The effect of bills like HB 1947 is to erase the sacrifices of generations of faithful Catholics who have done nothing wrong.

The Church in Pennsylvania accepts its responsibility for the survivors of clergy sex abuse. It's committed to helping them heal for however long that takes. But HB 1947 and bills like it are not an answer. This kind of legislation is unjust and deeply misleading. It benefits too few victims, and it ends up punishing Catholic parishes and families that are innocent of any wrongdoing.

This is a serious and time-sensitive matter. Please take a few minutes to review the important information materials available at the exits after Mass. Senate hearings begin on or around June 13. Please act now to contact your state senator, and members of the state Senate Judiciary Committee, and urge them to oppose HB 1947 and any effort to impose civil statute retroactivity. You can do that quickly and easily by visiting www.pacatholic.org. That's the website for our state Catholic Conference, and you'll see a prominent link on the homepage about this vital matter. Thank you and God bless you.

Sincerely yours in Jesus Christ,

Archbishop Chaput

2. SUMMARY OF FINDINGS

The parishioners of St. Vincent de Paul Parish are open, cordial and friendly. They feel very much at home and shared their love for their parish and one another with openness and honesty. They expressed great pride in the accomplishments of being a parish focused on social justice issues, with ministries and non-profits created which address those issues, and which serve the people of the parish, the larger Germantown neighborhood and El Salvador. They were open and candid in their remarks.

Of those we interviewed, the average number of years spent at St. Vincent de Paul was 19.5 years. And, when asked to rate from one to three how at home they felt at St. Vincent's, 45 (97.8%) of the 46 interviews said 3, they felt very much at home.

The top strengths noted:

1. The People/Church Community (26 Mentions);
2. Social Justice (22 Mentions);
3. Diversity (19 Mentions).

The people who comprise St. Vincent de Paul Parish see themselves as the number one strength and when describing themselves they intertwine all the other strengths mentioned. They are proud of their hospitality and welcoming nature (to ALL) and believe it flows from their spirituality. They love that they are diverse and that all members and visitors are viewed equally regardless of age, race, gender, socio-economic status, faith or length of time in the parish. Interviewees noted numerous times that the reason people are willing to travel great distances to worship at St. Vincent's is to be a part of a faith community entrenched in the "Social Justice orientation of the Gospel."

The top areas for improvement noted:

1. More Unity Needed/Combine Masses/Merge is a Work in Progress (23 mentions);
2. Building Needs Improvements (19 mentions);
3. Communications (7 mentions).

Interviewees, for the most part, expressed sadness that the merger has created division within the community. The charisms of hospitality and welcoming may be present but there is a perceived lack of unity. Parishioners long for more interaction, more dialogue and more acceptance among the current members.

The second most mentioned area for improvement was repair of the buildings. Since this Study is testing the level of support people will give toward the projects listed, it actually makes this a strength that people see a great value and need to repair the buildings.

Communications was mentioned both specifically and indirectly throughout the interviews as an area to improve. Internal communications reflected overlap of events and meetings because there is no master calendar. Inconsistency of announcements at different Masses was also noted.

However, communications was also bundled as marketing and public relations meaning people feel there should be a plan for external communications to invite others to come and experience St. Vincent's.

When asked "Do you agree with the plans proposed?" - 37 (80%) agree; 9 (20%) agree with reservations and no one disagreed. Those who agree with reservations to the plan have concerns about the cost, whether enough due diligence has gone into choosing contractors and the financial capability of the parishioners. There are also as many people who want air conditioning as there are those who definitely do not want it.

Interviewers discussed the historical reality of the importance of major level gifts to a campaign and reviewed with each participant a range of gifts needed to reach the goal of \$1 million. In the Major level there were only two pledges. In the Leadership level there were 13 pledges. Combined, 15 (33%) of the 46 interviews noted Major/Leadership level gifts. We look for 50% to 60%, making this response very low.

LCDC consultants suggest that there is a tentative potential for St. Vincent de Paul Parish to raise \$400,000. It is tentative because some responses were made with conditions; specifically, a few interviewees want the rest of the work of the roof to go out to bid to at least two other companies, assuring that there has been 'due diligence' and all options have been considered for the appropriate cost of the roof.

Regardless of what money is needed to complete the project, the Capital Campaign goal must be achievable. If that goal reached will still not cover the costs, people need to know if the parish will borrow money and how they will carry the debt service. If there are other philanthropic sources, it would be best to secure them before announcing the targeted goal.

A Capital Campaign could be an energizing force to hurdle obstacles expressed in this Study. Working together towards a common cause could be a spiritual and unifying experience – and also raise money. There are many circumstances at St. Vincent's that would not make the traditional Capital Campaign strategy viable. The distance people must travel to get to the church and the age of many of the current leaders would suggest a non- traditional Campaign strategy may be more appropriate for St. Vincent de Paul Parish. A Capital Campaign is about building relationships, communicating and working together to accomplish a common goal. Done successfully, a Campaign can do far more than raise money. All efforts must be directed to accomplish all these goals.

Lynn Cummings Development Consultants recommends cautiously proceeding with a Capital Campaign and our recommendations for success are listed in Chapter 4 – Closing Remarks and Recommendations.

Immigration Demographics in Pennsylvania

2013 - U.S. born: 12 million
Foreign born: 800,000

Change between 2000 and 2013 for foreign born: 56%
1990-2000: 37%

Foreign born by origin: Europe 170,000
Asia: 311,000 (China 67,000; India 71,000; Korea 30,000)
Africa: 65,000
Latin America: 232,600 (Mexico 56,000)

Nationally, Mexicans are 58% of total 11.2 million (Pew)

Removals (deportations) have more than doubled over the past decade, reaching almost 400,000 in fiscal 2009. Mexicans are the majority of deportees for at least the past decade. In 2009, more than 70% of deportees were Mexican, according to the Department of Homeland Security (Pew).

A nationwide survey by the Pew Research Center in October 2010 found that registered voters are split (46% to 46%) about whether to amend the Constitution to end birthright citizenship.

In 2010, 5.2% of U.S. labor force was undocumented, or 1 in 20 workers.

Pennsylvania 2012 census: 170,000 undocumented, or 1.3% of total population and 1.7% of labor force.

- 21% of all Pennsylvania immigrants are undocumented
- 23% of all undocumented immigrants are Mexican (my estimate: 37,000)

Seven states where undocumented population grew from 2009 on:

Florida, Maryland, New Jersey, Pennsylvania, Virginia, Idaho, and Nebraska.

Pew 2014: 62% of undocumented immigrants have been in the US more than a decade.

Brookings Institution (2006)

- Among its peers, metropolitan Philadelphia has the largest and fastest growing immigrant population, which now stands at over 500,000, comprising 9 percent of the population. Between 2000 and 2006, greater Philadelphia's immigrant population grew by 113,000, nearly as many as had arrived in the decade of the 1990s.
- Metropolitan Philadelphia has a diverse mix of immigrants and refugees from Asia (39 percent), Latin America and the Caribbean (28 percent), Europe (23 percent) and Africa (8 percent). The 10 largest source countries are Mexico, China, Dominican Republic, India, Guatemala, Brazil, Ecuador, Viet Nam, and El Salvador.
- Immigrant growth in suburban Philadelphia has outpaced the city's growth, but numerically, the city still has the largest population of all local jurisdictions. Outside the city, Montgomery County had the earliest post- World War II suburban settlement of the foreign born and has the largest number of immigrants among jurisdictions, while Chester County saw the fastest growth during the 1970-2006 time period.
- Nearly 60 percent of the foreign-born living in metropolitan Philadelphia arrived in the United States after 1990. Although their naturalization rates and educational levels reflect their recent arrival, on the whole, greater Philadelphia's immigrants are doing well on these measures as compared with some other U.S. metropolitan immigrant populations.
- Nearly 75 percent of greater Philadelphia's labor force growth since 2000 is attributable to immigrants. Immigrants' contributions to the labor force are considerably higher in this period than in the 1990s, when just 36 percent of the growth was due to immigrants.
- A long history of immigration to Philadelphia stalled in the mid-20th century and the region became nearly entirely native born. In the past 15 years, however, immigration is emerging again as a prominent feature of life in the region. The varied immigrant groups—high-skilled professionals, refugees, and laborers from a diverse set of origin countries — bring both opportunities and challenges for policy makers, service providers, and communities throughout greater Philadelphia.

MADAGASCAR

My Dear Friends,

Because of your mercy, compassion and generosity, you have brought **HOPE** to the Church in Africa. I know in this **YEAR OF MERCY** that I will have your support and prayers.

Thank you! Thank you! Thank you for all you have sacrificed and for your generous spirit that has and continues to bring **HOPE** in Africa.

This year, we have some very exciting ways in which you can help bring God's love, hope and mercy to the poor in Africa.

Please pray for the success of these projects. Thank you in advance for all you do. Please live mercy and give generously, so we can help complete these projects; **GIVING MERCY AND HOPE TO THE POOR IN AFRICA**. If you have any questions about this appeal or would like to consider a bequest, feel free to contact me at (410) 371-0627 or frsy7@hotmail.com.

Please make all checks payable to "CONGREGATION OF THE MISSION-AFRICA". Be assured of my prayers and the prayers of hundreds of Vincentians priests, brothers and seminarians in Africa.

Your brother in Christ,

Fr. Sy

In Madagascar, the Vincentian priests and brothers are hoping to set up a program that helps children with disabilities. Many of these children are orphans, because their families see no hope for them, so they abandon them. This program will develop a forestry program in which the children will be trained and through the growing and selling of trees. This will provide for their basic needs and give hope to these orphans and children with disabilities. Cost \$13,000

CHAD

In Chad, Thank you for all that you have done in building schools and helping build their first church in the Vincentian parish. They have worked hard in building their church, but could use help with furnishing (altar, pews, lectern, etc.) To finish this project, they need only \$7,500.

Please accept my contribution to help,
Thank you!

NIGERIA

In Nigeria, Father Jacob, a Vincentian priest, is starting a ministry called "*DePaul hope Social Center*". This center helps train widows so that they can provide for themselves and their children. Many of these women are widows because their husbands were killed by the terrorist group Boko Haram. After training, they will be given "micro-loans", so that they can become self-sufficient. Their total need to fund this project is \$21,500. *Please help bring God's MERCY & HOPE to these widows.*

ETHIOPIA

In Ethiopia, a Vincentian priest is building two small homes for widows and their children. Because of the severe draught and extreme poverty there, they need our help. The cost for these two homes is only \$3,500. *Please show mercy and give hope.*

LET US PRAY...

O Lord our God, in the name of our Daughters and Sisters of Nigeria we come to you on bended knee in prayer. In the heat of this day, suffering and hardship has visited young ones and we beg you, almighty Father, Son and Holy Spirit to bring forth release and mercy on those who have been captured, sold and raped. Reverse O Lord, the spirit of the captors. Restore O Lord, the hope of these young innocent girls and bring Recovery to them and their families. Relieve the injured and Redeem O Lord, this situation and drench it with Your love and mercy. We remember O Lord, how You set the captives free in Egypt and how You carved a way to freedom by splitting the waters of the Red Sea. We remember, O Lord how Your mighty hand brought David out of the lion's den and we ask You, O Lord to do the same for our dear young Sisters and Daughters. We come to You this day, knowing the fullness of Your amazing grace which makes a way out of no way. We thank You O Lord for what You can do and will do in Jesus' name- Amen
