Mission Statement

St. Vincent de Paul is a faith community striving to live Jesus' gospel message of love, peace and justice for all peoples. In the spirit of St. Vincent de Paul, our inclusive community welcomes, affirms and serves both the poorest of the poor and those who are alienated and most vulnerable among us. Our individual faith journeys join together in the celebration of the Eucharist. Through the guidance of the Holy Spirit, we will continue to nurture the gifts of all our members. Our parish family will draw strength and unity from diversity. We will foster an atmosphere of warmth, hospitality and prayerfulness. We pray that our commitment to these efforts will further the mission of being one with our God and one with each other.

All those at Mass will have the opportunity to take the St. Francis Pledge, which reads: "*I pledge to pray, act and advocate to solve the problem of climate change.*" Taking the St Francis Pledge is the best way for our parish community to take action. If you pledge on the website listed below, you can receive action alerts, resources and stories from Catholics leading the charge. Register your pledge here: www.catholicclimatecovenant.org.

Petitions for July 16 and 16, 2016

1. At a time of rising unrest and tension in our country, between communities of color and local law enforcement, we pray that God's limitless grace will bring about a period of mutual respect for the dignity and rights of all people as our brothers and sisters in the Lord.
2. We hear in Paul's letter that he rejoices in his sufferings for the sake of his brothers and sisters, so may we ask for God's wondrous grace to embrace and join our suffering to that of Christ's in hope that "we may present everyone perfect in Christ". We pray...
3. In this season of continued celebration of the Laudato Si Encyclical, we pray that Pope Francis' prophetic vision of Care for Creation will inspire us to think about our responsibility for the environment; to pray for stronger efforts to protect and nurture our mother Earth; and to advocate for local and national policies which provide care for all creation.
4. With the Leadership of POWER, the strong participation of many, diverse faith communities, and the active involvement of the St. Vincent Community, there has been real progress on fair school funding, raising wages and protecting the rights of immigrants. Let us continue to pray and work that their efforts will bear even more fruit. We pray...
5. As the main political parties begin their conventions, let us pray that their platforms and their nominees will clearly state an approach to governing that demonstrates care and compassion for all, especially toward those most in need of respect and material support.
6. In solidarity with all those families and communities struggling to cope with the violent death of loved ones, including our sisters and brothers in France during their independence day celebrations. Let us pray that Our Loving God will bestow on them a comforting grace to heal their souls and ease their minds. We pray...

***** JULY POWER Updates for St Vincent's Parishioners *****

What is POWER? Philadelphians Organized to Witness, Empower & Rebuild, founded in 2011, is an interfaith-based community organizing coalition of about 50 congregations—including St Vincent's—who share a commitment to working together to change policies so we can overcome racism and poverty with mutual respect, opportunities and justice for all.

POWER has a sister-org in the suburbs (POWER Metro), one in the Lehigh Valley (POWER Northeast)—as well as about 50 other federations in the PICO National Network around the U.S. As you are reading this, several staff members of POWER have gone to Louisiana to support their sisters and brothers in Baton Rouge in strengthening interfaith responses to and support for their community in a time of great trauma, following the death of Alton Sterling.

Here's POWER's website: www.powerinterfaith.org Your co-chairs for POWER at St Vincent's are Terri Burgin (215-605-7931 tburgin84@gmail.com) and Mary Laver (mlaver14@com-cast.net 610-324-9388). Come to a meeting or contact us to learn more or get involved!!

Voter Registration: Let's do this!

POWER does not support specific candidates, but it does urge everyone who is eligible to exercise their right to VOTE! We have a two-pronged plan: (1) 100% voter turnout from our own parishioners (if you've moved since you last voted, or just turned 18, time to register!) and (2) strong neighborhood registration campaign (deadline: 10/11) and get-out-the-vote effort (election day: 11/8). If you can help, we can train you! Sign up on clipboard in the back of church.

Farewell Party & Raffle for POWER founding director:

Bishop Dwayne Royster, will be honored on Thurs **July 21**, 5:30 to 8:00 pm at Lutheran Theological Seminary (Germantown Ave & Allens Lane). He is leaving POWER to coordinate social justice policy for the PICO National Network. No charge, but freewill offerings will be encouraged, for a Justice Fund in Bishop Royster's name. Gift-baskets will be raffled off, including home improvement tools and Phillies tickets! RSVP to POWER (info@powerphiladelphia.org) or to Mary Laver. Let us know if you need a ride.

Monthly St Vincent's POWER meeting

Mon July 18, 7 to 8:30 PM in the rectory. As people of faith, we are called to be bearers of hope on many fronts now: Violence in Baton Rouge, Minnesota, Dallas and our own neighborhoods. Continued economic desperation. Under-supported schools. Many who don't believe their vote matters. At this meeting, we'll set action-plans and ask for leaders for each project, alongside our sisters & brothers in POWER. If you're looking for a way to "get involved" in these trying times, this could be it!

(over for more news....)

School Funding report

To cap 2 months of "Tabernacle Tuesday" pilgrimages, 300 members of POWER, POWER Northeast (Allentown) & PIIN (Pittsburgh) came to Harrisburg on 6/28 to pray and lobby for full, fair and on-time funding for our schools. **35 were St Vincent's parishioners, including several families! Special thanks to the Jarvis, Chavis, Coelho, Trudeau, and Koppisch families.** Legislators DID pass a budget by the 6/30 deadline, though the education portion was only half of the base-line PA public schools need, and revenue sources are "TBD." So please continue your prayers and "readiness to act" on behalf of our children.

Interfaith Revival during the Democratic National Convention

Mon **July 25** at 6:30 PM at Friends Center (Quakers), 1501 Cherry St.
RSVP to Mary or Terri if you can attend, and if you need a ride or childcare.

What is this? As part of a national tour, Rev. Wm Barber (founder of "Moral Mondays") and Rev James Forbes will bring "The Revival: A Time for a Moral Revolution of Values" to Philadelphia on the first evening of the Democratic National Convention. The purpose: to challenge people of conscience to work for a new social order that puts justice and fairness first! One of the speakers is Sr Simone Campbell, founder of Network (Catholic social justice organization) and the "Nuns on the Bus" program. POWER is encouraging all members of POWER congregations to attend this event and share what they learn.

Thank you, St Vincent's parishioners, for your continuing prayers and presence as we work together to build a city, a region, a world where all our children can thrive!

IN-JUSTICE:
How We Lost Promised Relief for Millions of Undocumented Immigrants

Woe to you who make unjust laws... and deprive the poor of their rights and withhold justice from my people!
Isaiah 10:1-2

The Presidential Initiative

You may remember that, at the end of 2014, President Obama announced an Executive Action granting deferral of deportation to undocumented immigrants who have U.S. citizen children and have been in this country since 2010. He also proposed the expansion of a program that benefits immigrants who were brought by their parents as children, granting them the right to attend colleges or universities. DAPA, or the Deferred Action for Parents of Americans, and DACA, the expanded Deferred Action for Childhood Arrivals, were designed to benefit **four million people** (in addition to the Dream Act, or original DACA of 2012, that affects **1.2 million** and will not be undone by the ensuing legal action). In the Philadelphia-Camden-Wilmington metropolitan area, according to the Center for Migration Studies, **67,100** people, our neighbors, were eligible for relief under DAPA/DACA in the year the program was announced.

The Legal Case

Alas! You may also recall that 25 states sued the federal government, arguing that the deferral program exceeded executive powers and caused burdensome expenses to states. You probably know that a U.S. District Court from Texas issued a preliminary injunction to block the program from going into effect in February of 2015. Then, the federal government appealed and lost its case in a Court of Appeals in New Orleans last November, so it went all the way to the Supreme Court. The Supreme Court, however, is missing one member after the death of Justice Scalia and the Senate's arbitrary refusal to consider the President's nominee, Merrick B. Garland. This story is full of unfair steps and small-minded judicial decisions. But immigrants and their allies like you, the Obama Administration, and many people of good will expected the Supreme Court to rise above the fashionable politics that dictate rejection of immigrants. It could not.

The Supreme Court voted four to four, a deadlock. Its June 23rd announcement says simply: "The judgment is affirmed by an equally divided Court." By "judgment" they mean the Appellate Court's negative decision. Walter Dellinger, Acting Solicitor General under President Bill Clinton, said about this: "Seldom have the hopes of so many been crushed by so few words."

The Effect of In-Justice: Crushed Hopes and New Visions

For two years, hard working immigrant people, many of them part of the anonymous community known as "the working poor," were able to envision a life free of fear of being detained, deported, separated from their families. They imagined their lives in the freedom that we all take for granted. They believed that they had invested enough in a national community that would finally recognize their efforts and embrace them as their own.

The immigrant men and women the President's initiative had in mind have great *equity* in this country. Most are raising children who are citizens. The majority of them have been here at least ten years. They observe the law: reliable studies show the crime rate in immigrant communities is substantially lower than among citizens. Nearly all pay taxes and social security. Some are advanced students. Moreover, they are *workers*. The sectors that employ them rely on them completely, especially in construction, restaurants, cleaning of buildings and public places, landscaping, meatpacking, and agriculture. They work hard for low wages. They often labor in sectors where conditions are harsh and even unsafe. Without a doubt, we all benefit every day of our lives, in one way or another, from the work of undocumented immigrants. But the rhetoric of the extreme right, imbued with a racist ideology, portrays them as takers, not givers; as criminals, not social builders; as burdens for the community, not as sources of life for themselves and for others.

We in the **New Sanctuary Committee of Saint Vincent de Paul's Church** wish to renew with you and before you our continuing desire to work for justice and dignity with and for all immigrant and refugee people. Immigrants show us the way. They do not give up hope. They are strong, they are young, and they have a vision. Thank you for your constant interest and support.

A message from Sister Parish Ministry and from our sister community of Las Anonas

This letter from the leaders of our sister community of Las Anonas de Santa Cruz in El Salvador appeared in the recent newsletter of the U.S. El Salvador Sister Cities Network. They express their gratitude for our “unconditional accompaniment” and ask for our continued support, especially now around the issue of sugar cane production that has a horrific impact on their health, their environment, and their animals.

Please also hold in prayer the International Sistering and Solidarity Delegations and Gathering from July 17-25. Delia Landers will take part in a youth delegation and Joanie Brooks will participate in the delegation on climate change and food sovereignty visiting our sister community.

Four other members of the Romero Interfaith Center will travel with us: Kim Daly, Carol Murray, Lance Laver and Nicola White. Please hold all of us, our fellow travelers, and our Salvadoran hosts in your prayers.

All of us will carry your love and prayers with us to Las Anonas. We look forward to reporting back to you on all that we learn while away.

¡Mil Gracias!

Saludos

Dear brothers and sisters,

On behalf of Las Anonas de Santa Cruz community in San Vicente, we send a salute of solidarity to the big family of Sister Cities in United States, especially to our sister committee Philadelphia, hoping that God will bless your efforts towards social development and social justice.

We are infinitely grateful for all these years of unconditional accompaniment from you to our community, as well as to many other sister communities in El Salvador. We feel satisfied for all that has been achieved by our communities and with the international accompaniment during these 30 years.

The 30th Anniversary celebration is a good time to reflect and remember all of the struggles that we have overcome, in spite of the difficulties. Nonetheless, we still face other problems that affect the communities that live in the coastal area of our country, for instance San Vicente and southern La Libertad.

Among these issues it is important to mention the harmful practices used in sugar cane production. Those practices are causing major negative impacts in the environment, the health of people and animals.

For example, burning the sugar cane fields generates harmful amounts of pollution in the air, chemicals used on the crop eliminate the nutrients of the soil and pollute the few water resources that our communities depend on, and the unchecked use of water that is used to water the sugar cane fields is drying our underground aquifers.

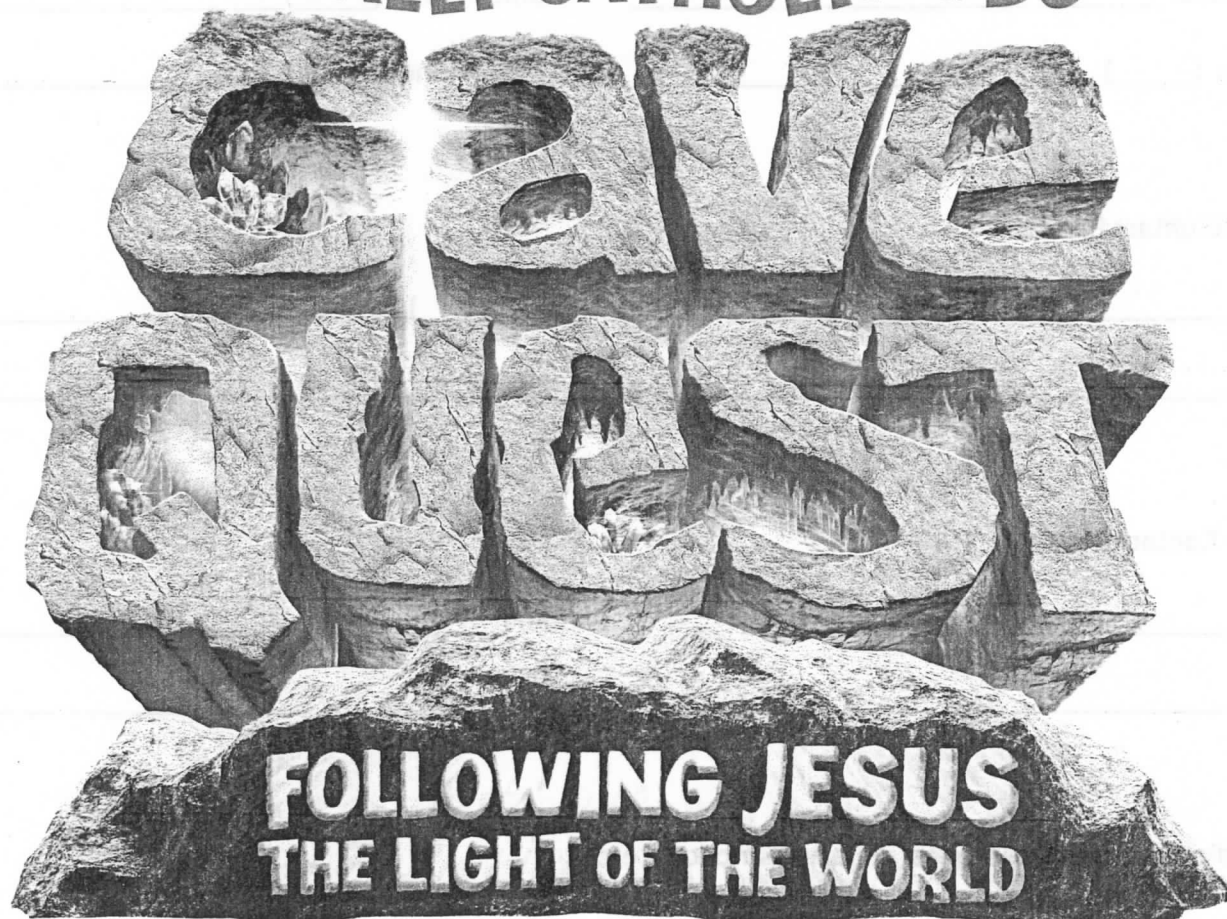

This is a concerning issue for the people who live close to sugar cane fields, since there are many people suffering from illnesses and even death provoked by those practices. It is with this in mind that we energetically invite the international community to renew your commitment in solidarity to accompany the struggles of the people in pursuit of a better quality of life and social justice.

Thank you for helping us to keep the light of hope alive in a world of solidarity and justice.

*Hugs,
The Board of Directors of
Las Anonas, San Vicente*

ONE MASS

July 31st @ 10AM

Party after Mass

Celebrating the 1st Anniversary of Laudato Si

In the months of June and July, Catholics and people of faith around the world will be celebrating the first anniversary of Pope Francis' Encyclical, **Laudato Si**, On Care for Our Common Home.

Both the Global Catholic Climate Movement and the US Bishops' Catholic Climate Covenant are urging individuals, families, organizations and parishes to plan events to honor and celebrate this historic document, with the goal of generating at least 1,000 events worldwide.

At St Vincent's, we are planning to celebrate a special **Laudato Si** Liturgy in mid-July. The Mass will call all of us to think deeply and pray strongly for the healing and sustaining grace needed by our Mother, Earth. The Mass will include music, readings and symbols related to Care for Creation. In Addition, all those at Mass will have the opportunity to take the St. Francis Pledge, which reads:

"I pledge to pray, act and advocate to solve the problem of climate change." Taking the St Francis Pledge is the best way for our parish community to take action.

2. SUMMARY OF FINDINGS

The parishioners of St. Vincent de Paul Parish are open, cordial and friendly. They feel very much at home and shared their love for their parish and one another with openness and honesty. They expressed great pride in the accomplishments of being a parish focused on social justice issues, with ministries and non-profits created which address those issues, and which serve the people of the parish, the larger Germantown neighborhood and El Salvador. They were open and candid in their remarks.

Of those we interviewed, the average number of years spent at St. Vincent de Paul was 19.5 years. And, when asked to rate from one to three how at home they felt at St. Vincent's, 45 (97.8%) of the 46 interviews said 3, they felt very much at home.

The top strengths noted:

1. The People/Church Community (26 Mentions);
2. Social Justice (22 Mentions);
3. Diversity (19 Mentions).

The people who comprise St. Vincent de Paul Parish see themselves as the number one strength and when describing themselves they intertwine all the other strengths mentioned. They are proud of their hospitality and welcoming nature (to ALL) and believe it flows from their spirituality. They love that they are diverse and that all members and visitors are viewed equally regardless of age, race, gender, socio-economic status, faith or length of time in the parish. Interviewees noted numerous times that the reason people are willing to travel great distances to worship at St. Vincent's is to be a part of a faith community entrenched in the "Social Justice orientation of the Gospel."

The top areas for improvement noted:

1. More Unity Needed/Combine Masses/Merge is a Work in Progress (23 mentions);
2. Building Needs Improvements (19 mentions);
3. Communications (7 mentions).

Interviewees, for the most part, expressed sadness that the merger has created division within the community. The charisms of hospitality and welcoming may be present but there is a perceived lack of unity. Parishioners long for more interaction, more dialogue and more acceptance among the current members.

The second most mentioned area for improvement was repair of the buildings. Since this Study is testing the level of support people will give toward the projects listed, it actually makes this a strength that people see a great value and need to repair the buildings.

Communications was mentioned both specifically and indirectly throughout the interviews as an area to improve. Internal communications reflected overlap of events and meetings because there is no master calendar. Inconsistency of announcements at different Masses was also noted.

However, communications was also bundled as marketing and public relations meaning people feel there should be a plan for external communications to invite others to come and experience St. Vincent's.

When asked "Do you agree with the plans proposed?" - 37 (80%) agree; 9 (20%) agree with reservations and no one disagreed. Those who agree with reservations to the plan have concerns about the cost, whether enough due diligence has gone into choosing contractors and the financial capability of the parishioners. There are also as many people who want air conditioning as there are those who definitely do not want it.

Interviewers discussed the historical reality of the importance of major level gifts to a campaign and reviewed with each participant a range of gifts needed to reach the goal of \$1 million. In the Major level there were only two pledges. In the Leadership level there were 13 pledges. Combined, 15 (33%) of the 46 interviews noted Major/Leadership level gifts. We look for 50% to 60%, making this response very low.

LCDC consultants suggest that there is a tentative potential for St. Vincent de Paul Parish to raise \$400,000. It is tentative because some responses were made with conditions; specifically, a few interviewees want the rest of the work of the roof to go out to bid to at least two other companies, assuring that there has been 'due diligence' and all options have been considered for the appropriate cost of the roof.

Regardless of what money is needed to complete the project, the Capital Campaign goal must be achievable. If that goal reached will still not cover the costs, people need to know if the parish will borrow money and how they will carry the debt service. If there are other philanthropic sources, it would be best to secure them before announcing the targeted goal.

A Capital Campaign could be an energizing force to hurdle obstacles expressed in this Study. Working together towards a common cause could be a spiritual and unifying experience – and also raise money. There are many circumstances at St. Vincent's that would not make the traditional Capital Campaign strategy viable. The distance people must travel to get to the church and the age of many of the current leaders would suggest a non- traditional Campaign strategy may be more appropriate for St. Vincent de Paul Parish. A Capital Campaign is about building relationships, communicating and working together to accomplish a common goal. Done successfully, a Campaign can do far more than raise money. All efforts must be directed to accomplish all these goals.

Lynn Cummings Development Consultants recommends cautiously proceeding with a Capital Campaign and our recommendations for success are listed in Chapter 4 – Closing Remarks and Recommendations.

Thank you! Thank you! Thank you for all you have sacrificed and for your generous spirit that has and continues to bring **HOPE** in Africa.

This year, we have some very exciting ways in which you can help bring God's love, hope and mercy to the poor in Africa.

Please pray for the success of these projects. Thank you in advance for all you do. Please live mercy and give generously, so we can help complete these projects; **GIVING MERCY AND HOPE TO THE POOR IN AFRICA**. If you have any questions about this appeal or would like to consider a bequest, feel free to contact me at (410) 371-0627 or frsy7@hotmail.com.

In Madagascar, the Vincentian priests and brothers are hoping to set up a program that helps children with disabilities. Many of these children are orphans, because their families see no hope for them, so they abandon them. This program will develop a forestry program in which the children will be trained and through the growing and selling of trees. This will provide for their basic needs and give hope to these orphans and children with disabilities. Cost \$13,000

CHAD

In Chad, Thank you for all that you have done in building schools and helping build their first church in the Vincentian parish. They have worked hard in building their church, but could use help with furnishing (altar, pews, lectern, etc.) To finish this project, they need only \$7,500.

Please accept my contribution to help,
Thank you!

NIGERIA

In Nigeria, Father Jacob, a Vincentian priest, is starting a ministry called "*DePaul hope Social Center*". This center helps train widows so that they can provide for themselves and their children. Many of these women are widows because their husbands were killed by the terrorist group Boko Haram. After training, they will be given "micro-loans", so that they can become self-sufficient. Their total need to fund this project is \$21,500. *Please help bring God's MERCY & HOPE to these widows.*

ETHIOPIA

In Ethiopia, a Vincentian priest is building two small homes for widows and their children. Because of the severe draught and extreme poverty there, they need our help. The cost for these two homes is only \$3,500. *Please show mercy and give hope.*

LET US PRAY...

O Lord our God, in the name of our Daughters and Sisters of Nigeria we come to you on bended knee in prayer. In the heat of this day, suffering and hardship has visited young ones and we beg you, almighty Father, Son and Holy Spirit to bring forth release and mercy on those who have been captured, sold and raped. Reverse O Lord, the spirit of the captors. Restore O Lord, the hope of these young innocent girls and bring Recovery to them and their families. Relieve the injured and Redeem O Lord, this situation and drench it with Your love and mercy. We remember O Lord, how You set the captives free in Egypt and how You carved a way to freedom by splitting the waters of the Red Sea. We remember, O Lord how Your mighty hand brought David out of the lion's den and we ask You, O Lord to do the same for our dear young Sisters and Daughters. We come to You this day, knowing the fullness of Your amazing grace which makes a way out of no way. We thank You O Lord for what You can do and will do in Jesus' name- Amen

Life Reflection of Alonzo S. Mays, Jr.

Alonzo S. Mays, Jr. was born on March 19, 1970 in Philadelphia, PA. He was the second child of the late Linda Stewart-Mays and Alonzo Mays Sr. Alonzo was preceded in death by his sister Monica Mays. He was educated in the Archdiocesan School System of Philadelphia and played Varsity Basketball and Football for Cardinal Dougherty High School. Alonzo furthered his education in the health field and became a Chiropractic Physical Therapist.

Family and friends affectionately referred to Alonzo as, "Lonnie". He had an easy-going, optimistic spirit and would frequently say "I got this". He had an infectious smile that drew people to him and his profession gave him the opportunity to do what he enjoyed... helping people. He was quick to share his knowledge of the field, to benefit those he cared about.

Lonnie was a very private person. He spent his down time appreciating simple pleasures like washing and waxing his car for hours. He had a passion for sports and although he was a Lakers fan, he looked forward to sharing a few cold ones, while engaging in lively conversations about his Philly Teams.

Lonnie was very proud of the achievements in his lifetime, most especially the birth of his beautiful daughter Tyshay. A mirror reflection of her father; Tyshay embodies the memory of a spirit well loved.

As fate would have it, Lonnie was truly blessed to have found a soul mate in his wife, Micki. Together they shared a loving relationship... merging families and friends and sharing many happy times together. They were each others balance and made each other whole. When Lonnie's health began to fail, Micki devoted herself to providing his every need. In the early hours of Friday morning July 1, 2016, Lonnie was quietly and peacefully called home.

His memory is forever celebrated by his loving wife Micki, Daughter Tyshay, Grandmother "Ran Ran", Uncle Tony, Aunt Glo, Uncle Vernon, Uncle Bo, Aunt Geneva, Godmother Anita, Cousins, Khaliq, Tony, Monique, his only niece, Oreal and a host of other relatives, extended family and friends.

Sorrowfully Submitted,

Memories

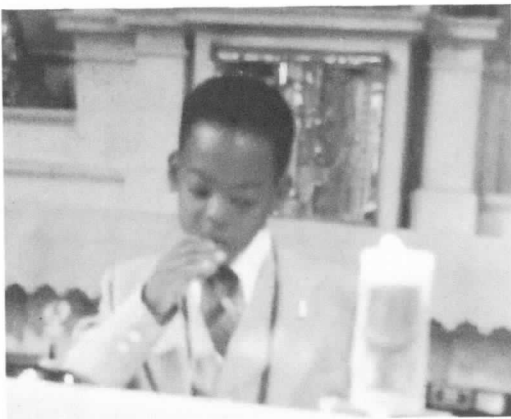

I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when life is done. I'd like to leave an echo whispering softly down the ways, of happy times and laughing times and bright and sunny days. I'd like the tears of those who grieve to dry before the sun. Of happy memories that I leave when life is done.
