Mission Statement

St. Vincent de Paul is a faith community striving to live Jesus' gospel message of love, peace and justice for all peoples. In the spirit of St. Vincent de Paul, our inclusive community welcomes, affirms and serves both the poorest of the poor and those who are alienated and most vulnerable among us. Our individual faith journeys join together in the celebration of the Eucharist. Through the guidance of the Holy Spirit, we will continue to nurture the gifts of all our members. Our parish family will draw strength and unity from diversity. We will foster an atmosphere of warmth, hospitality and prayerfulness. We pray that our commitment to these efforts will further the mission of being one with our God and one with each other.

On the last Sunday of every month, during the homily time, we are all invited to share our thoughts on the day's readings. This is a way of getting to know each other better through talking about our faith and our lives. Prayer Petitions for June 2-3, 2018

Oh Most Holy and Powerful One, we celebrate the gift of the Body and Blood of Christ. We offer praise and thanks for Pope Francis, who teaches us to imitate Jesus in giving life to and for others.

Oh Lord you have given us this Sacred Banquet in which Christ is received. May we express our gratitude for your sacrifice by caring for the immigrants and their children who are need of your love and kindness.

Oh God of Peace, there is great hostility and warring factions in the world. We pray for peace between peoples and nations that they will respect each other's right to exist.

Oh Body of Christ, we remember all who have died and those who mourn their loss. May the deceased share in the eternal life that Jesus promised, to those who feed on the Bread of Heaven.

Oh Most Holy Body and Blood of Christ, Jesus bound us to the Father in the new and everlasting covenant. We pray that all of our church family be strengthened for priestly work in the world.

Oh Holy One, you feed us with the true Bread from Heaven. Inspire us to feed all who are poor both in body and in spirit.

Dear Martin de Porres Foundation

By Lester E. Brown, II

I would like to thank the Foundation for giving me the opportunity to attend the Institute for Black Catholic Studies (IBCS) summer program in 2016 at Xavier University of Louisiana. The experience of strengthening my own faith while also being able to visit the beautiful city of New Orleans was a dream come true. Little did I know that the one-week summer program would turn into a full academic scholarship for the upcoming school year. You guys truly will never understand the many blessings that have been bestowed upon me.

Lester E. Brown, II

The opportunity given to me by the Martin de Porres Foundation not only gave me a gateway and guideline to a scholarship with God, it also gave me the opportunity of a lifetime. I now stand before you a junior at THE Xavier University of Louisiana. I am a sociology major with a double minor in philosophy & theology. I am also involved in many different organizations such as Habitat for Humanity, Men on the Move, Campus Ministry, Ambassadors, and The Knights of Peter Claver.

I am proud to acknowledge that Xavier University of Louisiana has entered Black History by founding the very first Knights of Peter Claver/Ladies Auxiliary Collegiate Unit in history. I stand as the president of this newly founded and prestigious organization and look forward to becoming the blue print for future KPCLA Collegiate Units across the country.

Now with the accomplishments and accolades that I have received since enrolling at Xavier, the "Hall Council King" is my favorite because it is more ironic to me than it is exciting. I am currently, the reigning 2017-2018 *Mr. Martin de Porres* here at Xavier, which would have never happened if not for the opportunity that was given to me by the Martin de Porres Foundation. I plan to reimburse the foundation by living the church values and promoting a just and humane society so that others may be granted the same opportunities that I received. I plan to teach the Good News to our young and uplift the identity of religion in our communities. With great love and sincerity, I thank the Martin de Porres Foundation for changing my life.

You are always able to suspend delivery for any period of time you wish and for any reason. If you provide us with a 24-hour notice, you will not be charged for that day's meals. Simply call our office (215.233.5555) to notify us as to the dates you do not want/need delivery.

Can I order from a menu?

While we attempt to accommodate food allergies, we cannot provide for every individual food preference. So, typically there is one lunch item and one dinner item featured each day. Menus rotate over a 2-3 week period. Our menus are planned with popular items in mind so we are confident that clients will always enjoy the meals.

Do you deliver on holidays? In bad weather?

If a holiday falls on a weekday, you can expect delivery on that day or the day prior.

We make every attempt to deliver in bad weather but if the Springfield schools are closed, we will likely suspend delivery. However, if we are aware a storm is approaching, we may deliver meals on the day prior to the storm.

If you have any additional questions, please feel free to call 215.233.5555 or email us at info@chestnuthillmow.org.

St. Vincent Family Dinners

Saint Vincent and the Poor, Kurt Welther (Austria, 1957-)

"I am the Bread of Life" (John 6:35)

Experiencing the presence of the risen Jesus at a meal, Eucharistic or not, is the takeaway message for today. How well do we prepare and enjoy our meals—Eucharistic or not? Fast food service is not the experience we want to bring to our table of fellowship. Slow food is better: planning, shopping, preparing, arranging, gathering with family and friends, telling stories, bonding, looking forward to life together away from the table. Meals, whether religious or social, signify acceptance and commitment. Sharing a meal says, "I want to be more a part of your life, and I want you to be part of mine." That's communion.

Jesus invites us to feed on him, that is, to draw his life into our own. If it is true that we are what we eat, then whoever eats his flesh and drinks his blood must in turn become a source of the grace received—a community grounded in love, service, nonviolence, and mutual emancipation. Meals give way to mission. The Eucharist is not complete until we bond with one another, fulfilling the commandment to love one another, one neighbor at a time. Bon appétit.

One neighbor at a time, or maybe four, six, or eight! We want to have dinners together because we really want to become a community of friends. We want to get to know each other better, and the best way to do that is to sit at the table just to enjoy each other's company around good food and conversation. We propose to have dinners where members of the parish sign up for a meal without knowing who their hosts are, or even who the other guests will be, except for one other person if you want to go as a pair. We will start in June, and we hope by the fall everybody will be signing up enthusiastically as hosts or guests. The mechanics of how this will work will be explained next week. Meanwhile, if you are willing to host a blind dinner, please place a card with your name, some possible dates, and how many people you can host, but do it secretly! You will call your mystery guests and give them details. Perhaps ask them to contribute a simple dish, bread, or an appetizer for the meal. Perhaps just bring their appetites and their good will. It is very likely that we will all make new friends, and that our Parish will become stronger, a true people in communion.
