The Urban Resources Development Corporation (URDC) is a northwest Philadelphia-based 501c(3) non-profit, interfaith organization working to stabilize housing and communities in Germantown, Mt. Airy and East/West Oak Lane through repair of homes for seniors and low-income people. The organization is managed by 13 congregations in northwest Philadelphia, including St. Vincent de Paul.

Martin Luther King knew the importance of service, to each other and to our communities. Since 2005, URDC's Home Repair program has served our community by helping over 850 low-income and senior homeowners pay for home repairs they could not afford themselves. URDC now helps one Germantown homeowner each week!

Won't you carry on MLK's call to service? **At our MLK weekend Masses on 1/17-18, there will be a special collection for URDC** to support their repair work in our community. You can also donate to URDC online using this link: <https://buildgermantown.org/donate/> or mail a check to URDC at:
